

## Invitation: Reach Codes Charrette Wednesday, March 20, 2019 Promoting Building Electrification in Santa Clara County

**1555 Berger Drive, Building #2, San Jose**

*Attendees should park in the designated Visitor parking spaces. Temporary parking passes will be made available, if needed.*

Each session will cover the same material, please plan to only attend one session.

- **Real Estate & Building Professionals** 9:30 am - 12 pm: <https://tinyurl.com/SCCreachAM>
- **City Staff** 11:30 am - 2 pm: <https://tinyurl.com/SCCreachCITY>
- **Community members** (or if unable to attend earlier session) 6:30 pm - 8:30 pm: <https://tinyurl.com/SCCreachPM>

For City Staff unable to attend on March 20th, please join us on Wednesday, March 27th at Peninsula Clean Energy for a repeat session. Register here: <https://tinyurl.com/reachadditional>

**Objective:** Develop building electrification reach codes, including electric vehicle (EV) infrastructure, for new construction and retrofits for San Mateo and Santa Clara County municipalities to adopt during the 2019 code cycle (starting January 1, 2020).

**Roles:** Peninsula Clean Energy (PCE), San Mateo County’s Office of Sustainability (OOS), Santa Clara County, and Silicon Valley Clean Energy (SVCE) are partnering in reach code development and implementation.

**SVCE** and **PCE** are providing technical assistance, consultant time, and \$10,000 per San Mateo and Santa Clara County municipality to support reach code adoption.

**Santa Clara County** and San Mateo County are convening municipalities and serving as a hub for reach code resources and technical support.

**Reach Code Consultants (TRC & DNV GL)** are drafting model codes, supporting local adoption, and stakeholder engagement.

**Municipal Building Officials:** Your input is essential in guiding the model reach code development and implementation.

### Timeline:

Date	Event
